BURY LC - WALK FOR SIGHT - UPDATE

As of this moment in time. The walk is still planned for Saturday 10th October 2020. At present, if we were to stagger the starting of the walk with no more than 6 in a walking group and to wear the appropriate face shields and masks, when and where applicable, we would be within Government guidelines with Covid-19.

We have two months to go before the actual walk takes place. We will be watching the news and guidelines carefully, during these up and coming months.

Until then, we are accepting walkers who wish to do the walk for charity and the walk for sight.

£20 would go to Bury Lions Sight saving projects and the rest of your raised money would go to a charity of your choice.

For further information, please get in touch with me, using the address, below:

I will do my best to answer questions and show the information needed, i.e, walking routes, sponsor forms, registration forms etc.

Thank you and bear with us whilst we update weekly with the guidance from the Government.
