## BURY LC - WALK FOR SIGHT - 10<sup>th</sup> OCTOBER - UPDATE

At the moment, in time, the walk is still on for Saturday 10<sup>th</sup> October 2020. We will be implementing Social Distancing rules, as laid out by government. The starting of the walk will be staggered with nominal groups of three but with a maximum of no more than 6 in a walking group. Walkers will also be asked to wear appropriate face coverings, where necessary.

There will be marshals, en-route, to log your passage through the checkpoint.

There will also be Lions, in the walk, to help those, new to the sights and walk route. All marshals will wear the appropriate face shields and masks, when and where applicable, to comply with Government and local Covid-19 guidelines.

We have 3 ½ weeks to go, before the actual walk takes place and, we are still watching the news and guidelines, carefully, during these up and coming weeks. Currently, we are accepting walkers, who wish to do the walk for charity and the walk for sight.

The first £20 will go to Bury Lions Sight saving projects and the rest of your raised money would go to a charity of your own choice.

For further information, please get in touch with me, using the address, below:

I will do my best to answer questions and show the information needed, i.e., walking routes, sponsor forms, registration forms etc.

Thank you and bear with us whilst we update weekly with the guidance from the Government.
