ITEMS FOR THE LION MAGAZINE

Recently we have some excellent articles submitted for inclusion in the Lion Magazine. Sadly some of the photographs could not be used owing to them being of very low resolution.

May I remind fellow Lions that any images that are sent to myself or directly to Nicki, our Editor, should have a file size of 1MB and at least 600 dpi.

We particularly welcome photos of 'Lions in Action' showing our members involved in community activities. The 'Grip and Grin' cheques presentations are still very welcome but a nice balance of activities would be desirable.
