DISTRICT GOVERNOR BARRY'S LOGO

During the recent CN Cabinet meeting, DG Barry referred to his Logo. He said that, in the design, there are twelve items, with specific themes.

Barry asked if members could look at the logo and try to pick out these themes. The items range from easy to difficult and, one of them has a funny side to it.

As normally seen, on CN stationery and emails, the logo would not be large enough to pick out the details, so I have inserted a larger version of the official logo, below.

Have a go and see how many you can pick out.
