SOCIALLY DISTANCED SANTA CYCLE - 29th NOVEMBER

As you may recall, earlier this year, we were forced to abandon our Planned Santa Dash, due to the uncertainty of the COVID19 situation.

However, for a change, there is some good news:

A group of enthusiastic cyclists are hoping to raise funds for **Kidneys for Life** (our Santa Dash partners) and KFL's Victoria Thomson has suggested to them that a "Santa Cycle" would be an appropriate event to organise, under the current circumstances.

I shall be supplying the Santa Suits and, hoping to make a reasonable profit for the Club.

The numbers will be limited to 100 (over the age of 16) and, the route will be around Marton (in the Macclesfield/Congleton area of Cheshire). Full details can be found on the Kidneys For Life website.
